What is the buntkicktgut-open

The buntkicktgut-open is a regularly held streetfootball tournament since, that is also open for teams, that don't take part in the regular buntkicktgut league. This tournament with national and international teams from the steadily growing buntkicktgut network opens up new fields of learning and new horizons for the participants and provides an important place for meeting new people and enjoying new experiences. Everybody always stays true to the principal values of competition: fun, respect und fairplay.

With the buntkicktgut-open 2014 we are following on from a series of international meetings for young people: 2004 international summer camp Peiting, 2006 buntkicktgut world festival of streetfootball Munich, 2008 buntkicktgut eurofestival Basel (CH), since 2009 the buntkicktgut-open / UniCredit-Cup in cooperation with FC Bayern Munich and our Partner HypoVereinsbank - member of UniCredit Group, 2009 FC Bayern Munich training ground, 2010 Munich Olympic Park, 2011 as part of the Munich Sport festival, 2012 as part of the Champions Festival in the Olympic Park und 2013 as part of the Streetlife Festival / Corso Leopold.

buntkicktgut is looking forward to your participation – already announced from some – in this intercultural youth meeting and the informal exchange between our institutes. We hope, that this event further serves the permanent strengthening of our network and partnership in context of youth work and youth support.

Who can take part

The buntkicktgut-open is principally open to every institution and organisation. Each organisation can make at most one team for each age group. Every team consists of maximum eight players. The enrolment fee is € 20 per team.

The buntkicktgut-open / UniCredit-Cup will this year be played in the following categories:

- U13 Mixed (born 2001 and younger)
- U15 Mixed (born 1999 and younger)
- U17 Mixed (born 1997 and younger)
- U17 Ladies (born 1996 and younger)
- Senior Mixed (all Ages)

About half of the starting places are reserved for the buntkicktgut positions and for the teams from the continual Munich streetfootball league, who look forward to meeting the other teams from the partner organisations. The starting places are limited and we reserve the right for the limitation and selection of the participating teams.

We would like to wish you luck with your preparations.
